All Ireland Algebra Days 2001
Queen's University Belfast, 16–19 May 2001

Dear Prof. Miguel Gomez,

Thank you for your participation in the “*All Ireland Algebra Days 2001*”, which were held at Queen's University Belfast during the period 16–19 May 2001.

This is to confirm that you presented your joint work with Prof. Mercedes Siles-Molina on
“An Extension of Gabriel's Theorem”

Yours sincerely,

Dr Martin Mathieu
Chair of the Organising Committee
