

"Algebras, Representations, and Applications"

Lie and Jordan Algebras, Their Representations and Applications IV

July 6 – 10, 2009 - Manaus, AM, Brazil

Certificate

We certify that professor

Miguel Angel Gomez Lozano

from *Universidad de Malaga, Spain* attended the Conference "*Algebras, Representations and Applications*" (*Lie and Jordan Algebras, Their Representations and Applications IV*), which took place at *Universidade Federal do Amazonas, Brazil*, from July 6 to 10, 2009 and presented the following talk:

Towards a characterization of the Kostrikin radical in Lie Algebras

São Paulo, July 10, 2009.

Ivan Shestakov

Chairman - Scientific Committee
