

WORKSHOP ON LIE ALGEBRAS AND JORDAN SYSTEMS

Departamento de Matemática Aplicada, URJC,  
26, 27 y 28 de octubre de 2011

This is to certify that

Miguel Gómez Lozano

delivered a lecture entitled

Prime quotients of Jordan systems and Lie algebras

at the *Workshop on Lie Algebras and Jordan Systems* held at the Departamento de Matemática Aplicada, Universidad Rey Juan Carlos (October 26, 27 and 28, 2011).

Esther García González  
Organizer of the workshop
