

FIRST ANNOUNCEMENT, 5 APRIL 2006

Graph algebras Workshop 2006, Universidad de Málaga, 3-8 July 2006

A one-week workshop aimed at various aspects of graph C^* -algebras and the recently introduced purely algebraic class of Leavitt path algebras will be held in the Department of Algebra, Geometry and Topology of the Universidad de Málaga, from Monday 3 July to Saturday 8 July 2006. Experts from the C^* -algebra and the pure algebra scenes will deliver a series of lectures (introductory as well as more advanced) in order to foster interaction. Thus the meeting is indicated to both graduate students and specialists.

Organisers:

Gonzalo Aranda (Universidad Complutense de Madrid) – e-mail: gonzaloo@mat.ucm.es
Francesc Perera (Universitat Autònoma de Barcelona) – e-mail: perera@mat.uab.es
Mercedes Siles (Universidad de Málaga) – e-mail: mercedes@agt.cie.uma.es

The speakers are:

Gene Abrams (University of Colorado at Colorado Springs, USA)
Pere Ara (Universitat Autònoma de Barcelona, Spain)
Enrique Pardo (Universidad de Cádiz, Spain)
Iain Raeburn (University of Newcastle, Australia)
Mark Tomforde (College of William and Mary, Williamsburg, USA)

The workshop is supported by the Departamento de Álgebra, Geometría y Topología (Universidad de Málaga), Universidad de Málaga, Junta de Andalucía, Ministerio de Educación y Ciencia (Spain), Red de Grupos de Investigación en Álgebra no Conmutativa (nc-alg).

Graduate students enrolled at a Spanish university can ask for support.
